SZIGET uses the operating services of **Netpositive Kft.** for the storage of your personal data on servers located in the Budapest server rooms of GTS Datanet in district XIII of Budapest, Victor Hugo street 18-22. Its task is the operation of ERP system, physical and operating system level operation of online sales systems servers. It accesses all personal data controlled by SZIGET under this Notice. It is responsible for operating SZIGET's enterprise resource planning (ERP) system.

In order to prevent unauthorized persons to access your data, SZIGET and its partners ensure the protection of personal information and prevents unauthorized access as follows: access to personal information stored on the servers are recorded in a journal by SZIGET and the data processor on SZIGET's behalf, so it can always be monitored who and when accessed what kind of personal information. Access to the computers and the server is password protected. The duration of data processing: service contract of indefinite duration-until the termination of the contract

During data processing activity, personal data are not transferred to any third countries or international organizations.

6. Data security

SZIGET shall ensure security of the personal data and shall implement appropriate technical and organizational measures to ensure that the collected, stored and processed data are secure, in addition to preventing destruction, unauthorized use, and unauthorized alteration of the data. In addition, SZIGET shall notify third parties - to whom the data subject's information is transferred - that they are obligated to meet data security requirements.

SZIGET shall prevent unauthorized access to personal data, as well as their publication, transfer modification or erasure.

SZIGET shall impose the aforementioned obligation to its employees partaking in data processing, as well as processors acting under the authority of SZIGET.

7. The rights and legal remedies of data subjects

Pursuant to the GDPR, during the data processing, you may request access to the personal data and may request information about data processing (which will be provided by the Controller within no more than 1 month), may request rectification of personal data, erasure under certain conditions, or the restriction of data processing, and when the legal basis for data processing is performance of a contract you have the right to data portability. When the legal basis for data processing is legal interest you have the right to object.

If you feel that the Controller has violated any of the legal provisions applicable to data processing, please contact the Controller first, using any of the above contact information, or at the following email address: dpo@sziget.hu. If this proves to be unsuccessful, you may initiate a proceeding with the **Hungarian National Authority for Data Protection and Freedom of Information** (Nemzeti Adatvédelmi és Információszabadság Hatóság, NAIH, seat: Hungary, H-1055 Budapest, Falk Miksa utca 9-11.; mailing address: 1374 Budapest, Pf. 603.; email: ugyfelszolgalat@naih.hu) or seek **judicial remedy**.

8. Personal data related to children and third persons

Persons under 16 shall not submit their personal data, except when they requested permission from the person exercising parental rights. By providing your personal data to SZIGET you hereby state and guarantee that you will act according to the aforementioned, and your legal capacity is not restricted with regards to the providing of data.

If you do not have the right to independently provide personal data, you must acquire the permission of the appropriate third party (i.e. legal representative, guardian, other person – for instance consumer - you are representing), or provide another form of a legal basis to do so. In relation to this, you must be able to consider whether the personal data to be provided requires the consent of a third party. To this point, you are responsible for meeting all the necessary requirements, as SZIGET may not come into contact with the data subject and SZIGET shall not be liable or bear any responsibility in this regard. Nevertheless, SZIGET has the right to check and verify whether the proper legal basis has been provided with relation to the handling of data at all times. For example, if you are representing a third party – for instance a consumer – we reserve the right to request the proper authorization and/or consent of the party being represented with relation to the matter at hand.

SZIGET will do everything in its power to remove all personal information provided without authorization. SZIGET shall ensure that if SZIGET becomes aware of this, such personal information is not forwarded to any third party, or used for SZIGET's own purposes. We request that you inform us immediately via contact information provided under article 7 if you become aware that a child has provided any personal data about himself or herself, or any other third party has provided any personal data of you unauthorized to SZIGET.
